Counting Song

FIVE GOOD FRIENDS

Five good friends went out to play
On a bright and sunny day
One good friend said, "I can't stay."
Then there were four good friends left to play

Four good friends went out to play
On a bright and sunny day
One good friend said, "I can't stay."
Then there were three good friends left to play

Three good friends went out to play
On a bright and sunny day
One good friend said, "I can't stay."
Then there were two good friends left to play

Two good friends went out to play
On a bright and sunny day
One good friend said, "I can't stay."
So just one good friend was left to play
So he went home on that sunny day.
